FOREST SERVICE

BIBLIOGRAPHY OF REFERENCES
ON THE
WESTERN WHITE PINE TYPE

Northern Rocky Mountain Forest & Range Experiment Station

KEY TO SOURCES OF WESTERN WHITE PINE TYPE REFERENCES

- 1. Experiment Station manuscript file.
- 2. Experiment Station pamphlet file.
- 3. Experiment Station working plan file.
- o 4. Experiment Station file of Applied Forestry Notes.
- 5. Regional Library.
- 6. Management Office files.
- o 7. Extra copy. In temporary Silviculture office file, or obtainable from Experiment Station's extra copy file. Many of the Silviculture file copies of references of this designation are personal property.
- o 8. Reference could not be located.
- 9. Experiment Station library (bound magazines, books, etc.)
- o 10. Missing from folder in Experiment Station manuscript file.
- o 11. Pages referred to were torn out of the bound volume in Regional Library.
- o 12. Issues of Northwest Science in the temporary Silviculture office file are all personal copies. Neither library has a complete set.

Note: Parentheses indicate references which are available, but which were not borrowed for the temporary Silviculture office file. Usually personal copies were filed instead.

PRELIMINARY LIST OF REFERENCES ON
WESTERN WHITE PINE

Prepared by
The Northern Rocky Mountain Forest Experiment Station, 1930
Revised 1935
